Dear Sir:

In response to the restriction requirement mailed July 11, 2005, requiring an election to Groups I, II, III, or IV, Applicant hereby elects without prejudice Group I, Claims 1-29. Claims 30-78 are withdrawn from prosecution without prejudice. This election is made without traverse.

In response to the election of species requirement, Applicant hereby elects without prejudice the following species:

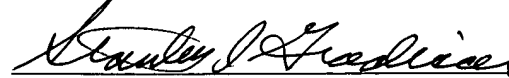

- 3a. The embodiment wherein the semiconductor is a p-type semiconductor.
- 4b. The embodiment wherein the nuclear material is in solution with the semiconductor material.
- 5a. The embodiment wherein the metallic contact layer forms a low resistance contact.
- 6. The embodiment wherein the liquid semiconductor material is an alloy of chalcogen with metal consisting of selenium with sodium.
- 7b. The embodiment wherein the nuclear material is non-fissile.
- 9. The embodiment wherein the type of radioactive isotope consists of a beta particle emitter only.

Applicant believes that the following claims are readable upon the elections made above:
claims 23, 24, 25, 27, 28, and 29.

Applicant does not believe that any fee is due with this response, such as a fee for an extension of time, but if so, please charge any required fees due, and credit any overpayment, to Deposit Account No. 50-0792.

Respectfully submitted,
